officially appointed and registered delegate, and at meetings of the Ministries Network Summit according to the provision for such. (See Bylaws Article I, Section E)

3. Responsibilities. While the fact that a local assembly is affiliated in the association of a District Council of the General Council of the Assemblies of God shall in no wise destroy its rights as above stated or interfere with its sovereignty, there are certain responsibilities to the Fellowship that should be recognized.

    - (2) World ministries giving-regular support of churches encouraged. In order to support and develop the work and ministries of the Assemblies of God at home and abroad, all its churches shall be encouraged to send offerings therefore at regular intervals.   - e. Safeguarding the assemblies from unapproved ministries.
    - (1) It is known that many unreliable and unsafe teachers and preachers go about seeking entrance into assemblies without any recommendation; therefore, all pastors, workers, and leaders of assemblies should make proper investigation regarding these persons not known to them, and the platform be denied strangers until proper recommendations be forthcoming.
    - (2) Since the use of non-Assemblies of God evangelists may bring confusion and problems detrimental to the Fellowship, it is recommended that Assemblies of God churches use Assemblies of God evangelists.
    - (3) The advice and counsel of the Network Presbytery should be sought in all matters of importance. Pastors, network presbyters, and network officials should maintain a reciprocal exchange of information relative to unreliable persons seeking ministry in our assemblies
  - f. Transfer of local church membership.
    - (1) It is recommended that church members request a letter of introduction from the church of current membership and have it sent to the church with which they wish to affiliate.

- (2) It is recommended that the receiving church shall give an acknowledgment of transfer to the former church.
  - g. Support. It is recognized that for any organization to survive and serve effectively, it must have the moral and financial support of its constituency.
    - (1) Ministries Network. The entire Ministries Network program should be supported by the local assembly, and financial support should be according to the policies of the WNMMN. (See Bylaws Article XIV, Section A, Part 2).
    - (2) General Council. Logically, support of the General Council follows support of the District Council. If practicable, let each assembly take one offering each year for the national headquarters.
4. Intervention of the Ministries Network in a Local Assembly
- a. Circumstances requiring intervention. While the right of a local assembly to self government is a basic General Council principle, it is also recognized that the assembly has a responsibility to the Ministries Network and General Council, and both have a responsibility to the assembly. Some of the circumstances which require intervention by the network officary are as follows:
    - (1) Division resulting in disruption.
    - (2) Assumption of dictatorial authority by the pastor to board.
    - (3) Prolonged absence of pastoral leadership.
    - (4) Deviation or departure from Assemblies of God principles and practices.
    - (5) Attempt to disaffiliate from the Assemblies of God Fellowship. An assembly desiring to withdraw from the Ministries Network must duly notify the network office two weeks before such action is taken, so that the Ministries Network may be properly represented at such a meeting.
  - b. Intervention Procedure. The Ministries Network has the right to meet with the board or congregation, or the network officary may be extended an invitation. This can come about in the following ways:
    - (1) By the request of the pastor.
    - (2) By action of the board.
    - (3) By petition of the congregation according to the bylaws provision.
  - c. In the event that a General Council affiliated assembly votes itself to come under Network supervision, the network superintendent, the network secretary, and the network presbyter of the respective geographical section shall act as the church board throughout the interim. The pastor and other church officers shall be appointed by this board. The church shall retain its General Council affiliated status, and all its General Council affiliated prerogatives which are not affected by action which called for network supervision. The length of time for network supervision shall be specified by congregational vote at said business meeting. No church will be considered under Network supervision until ratified by the Network Presbytery.
5. Discipline of Assemblies. Since the approval of an assembly is the prerogative of the District and General Councils, and is indicated by the issuance of appropriate certificates of affiliation, the

WNMMN has the right to request a meeting with the assembly if for some valid reason its status is in question. The General Council of the Assemblies of God has the right to withdraw its certificate of membership if deemed necessary.

6. New Assemblies Resulting from a Division
  - a. Criteria for recognition. When efforts to maintain union and harmony in an assembly have failed, and a division results in a new congregation being formed, the Ministries Network should exercise strong and wise leadership in ascertaining the facts, and seek to preserve Assemblies of God adherents for the Fellowship. Within the bounds of ethical principles, sound doctrine, and network policy, the Ministries Network should seek to retain any meritorious group within the Assemblies of God.
  - b. Criteria for discipline of pastor who is involved. Circumstances of the occasion would determine whether the minister should be disciplined or denied ministry in either the original church or the dissident group, or even residency in the section where the division occurred. If a minister is guilty of wrong conduct and wrong attitudes resulting in a split, the Network Presbytery shall deal appropriately with him/her as provided in Article X, The Relationship Between the District and General Council Credentials Committees, Section 2, of the General Council Bylaws.
7. Relocation of Assemblies. It is recommended that when a church located in a city which has more than one Assemblies of God church desires to relocate, they shall do so in consultation with the Network Presbytery and in consideration of the location of existing Assemblies of God churches in the proposed section.
8. Private Ownership of Church Properties Disapproved. The General Council and Ministries Network disapprove of the ownership of any church properties by other than the entire church body through its duly elected trustees.
9. Reversion of General Council-Affiliated Assembly to District-Supervised Status
  - a. When an annual questionnaire for a General Council-affiliated church reflects that its active voting membership has dropped below twenty (20), the church shall be notified at the discretion of the Ministries Network officers that unless the membership is increased to a minimum requirement of twenty (20) active voting members within one (1) year, the church shall revert to District-Supervised status.
  - b. When an assembly ceases to have qualified persons as defined in the "Recommended Church Bylaws" to serve on its official board, and/or when application becomes necessary for financial assistance, the church reverts to District-Supervised status.
  - c. When a General Council-affiliated church reverts to District-Supervised status, the church shall be governed by the current WNMMN Class B bylaw for the local assembly.
  - d. When such action is taken, the Ministries Network office shall notify the general secretary of the General Council and the local church.
  - e. The church shall remain in a District-Supervised status until sufficient growth and maturity has been demonstrated to qualify for General Council affiliation. An application for same shall be filed with the network secretary and approved by the Network Presbytery.

#### Section C. District Council Affiliated Assemblies

1. District-Supervised
  - a. Membership of Less Than Twenty (20) Adults. The preceding principles apply with the exception

that a District Council affiliated assembly is one that has less than twenty (20) adult members.

- b. Other Requirements. The fact that an assembly shall have attained a membership of twenty (20) adults shall not in itself qualify it for General Council affiliation status, but the network officary shall make the judgment in the light of other factors related to its maturity.
- c. Degree of Supervision. The officers of the assembly shall be the pastor, the secretary of the board and others who will be designated by the Network Presbytery. Additional officers may be added from the congregation when feasible. The assembly shall be provided with a simplified constitution and bylaws that are approved by the Network Presbytery and adopted by the local congregation. The Network Presbytery shall supervise all District-Supervised churches. They shall appoint and re-appoint pastors annually.
- d. Title to the Property. All real property of the assembly shall be deeded to the assembly and held in its name, or if the church is not incorporated, by trustees and their successors in office. Until the time the church becomes General Council affiliated, no real property of the assembly shall be purchased, sold, leased, mortgaged, encumbered, or otherwise disposed of without the written consent of the Network Presbytery.
- a. Certificate of Affiliation. A Certificate of Affiliation will be issued by the Ministries Network to an assembly that qualifies for District affiliation.

## 2. Church Plant Assemblies

- a. Churches classified as church plant assemblies shall be any new effort, having held public services for less than five years.
- b. They will be under the approval of the Network Presbytery and supervision of the Ministries Network missions committee. The network superintendent, the network missions director, the section presbyter, and the local pastor shall act as the board of directors and the board of trustees.
- c. Title to Property: All real property of the assembly shall be deeded to the assembly and held in its name or, if the church is not incorporated, by trustees and their successors in office. Until the time the church becomes a General Council affiliated assembly, no real property of the assembly shall be purchased, sold, leased, mortgaged, encumbered, or otherwise disposed of without the written consent of the Network Presbytery.
- d. Certificate of Affiliations. A Certificate of Affiliation will be issued by the Ministries Network to an assembly that qualifies for District affiliation.

### Section D. Parent Affiliated Churches (PACs)

Provision shall be made for parent affiliated assemblies which shall be under the supervision of a parenting church, in accordance with the parenting church's constitution and bylaws.

### Section E. Cooperating Assemblies

Cooperating Assembly is a church that subscribes to Article VI. Statement of Fundamental Truths of the District Council Constitution to enter into a cooperative status with a District Council on a temporary basis (4-year term, renewable by the request of the local church congregation at the discretion of the District Council in cooperation with the General Council Executive Presbytery) before officially affiliating with the District Council.

## ARTICLE VIII. MINISTRY

### Section A. Ministry Described

Christ's gifts to the Church include apostles, prophets, evangelists, pastors, and teachers (Eph. 4:11), exhorters, administrators, leaders and helpers (Rom. 12:7,8).

In terms of maturity of ministry, three classifications of ministry are recognized as follows:

1. Certified Ministers. Beginners and efficient helpers in gospel work, especially those who work under pastoral leadership and who devote a part of their time to Christian service.
2. Licensed Ministers. Those who give evidence of a divine call, who have had practical experience in preaching, and who give evidence of a purpose to devote their entire time to preaching the gospel.
3. Ordained Ministers. Those who are of mature experience, and who are qualified and able to undertake the responsibilities of the full gospel ministry, and whose ministries are acceptable generally.
4. A fourth classification of ministry, a local church credential, may be provided by a local General Council affiliated church under guidelines adopted by the General Presbytery.

### Section B. Qualifications

1. General
  - a. Testimony to having experienced the new birth (John 3:5).
  - b. Testimony to having received the baptism in the Holy Spirit with initial physical evidence of speaking in other tongues according to Acts 2:4.
  - c. Evidence of a divine call to the ministry, supported by a personal conviction, confirmed by the work of the Spirit, and the testimony of fellow ministers.
  - d. A Christian life above reproach having a good report of those within the church and those outside the body of Christ (Titus 1:7; 1 Tim. 3:7).
  - e. A thorough understanding of an agreement with our doctrinal position as contained in the Statement of Fundamental Truths.
  - f. A knowledge of the principles, practices and purposes of the Fellowship through a study of the General Council and Ministries Network constitutions and bylaws.
  - g. An active loyalty to our constitutional agreements, a cooperative spirit, and a readiness to seek and receive the counsel of mature fellow ministers and those in positions of authority.
  - h. Education requirements.
    - (1) An evident determination to study the Word of God, taking advantage of every means available for the improvement and development of one's ministry (2 Tim. 2:15). This includes Bible college training or the Berean College correspondence courses arranged by our Fellowship, and a consistent study of the Word of God and of good books.
    - (2) Any certain extent of academic education shall never be a requirement for credentials, but it shall be required of applicants that they take such reading courses and pass examinations as may be prescribed by the credentials committee of the Ministries Network in agreement with

the credentials committee of the General Council of the Assemblies of God.

- i. Marital status of persons receiving credentials from the WNMMN shall conform to the policies of the General Council in this regard.
  - j. Annulments. The Network Presbytery shall have the authority to determine whether an applicant's annulment of a former marriage is consistent with the scriptural position of the Fellowship. (See General Council Bylaws, Article VII, Section 2, Part k.)
  - k. Women. The Bible repeatedly affirms that; God pours out His Spirit upon both men and women and thereby gifts both sexes for ministry in His Church. Therefore, we affirm the gifts of women in ministry and spiritual leadership.
  - l. Ministers from other organizations. The credentials committee is under no obligation to accept an applicant's previous ministerial status, but will judge candidates on their own merits in the light of Assemblies of God criteria. It is expected that ministers who receive Assemblies of God recognition will relinquish credentials received from any other organization.
  - m. Application for credentials. All applicants shall meet the requirements of the WNMMN in making application and in filling out the forms.
2. Certified Minister.
- a. General requirements. They shall show promise of usefulness in the gospel work. They shall devote full or part time to Christian ministry and, at the discretion of the Network credentials committee, may remain under the supervision of a pastor or a ministry coach or mentor. They shall show evidence of a divine call and be actively engaged in some aspect of ministry and proclamation of the gospel, except in case of ill health or advanced age.
  - b. Pastoral requirements. In the event a certified minister is serving in a position as the pastor, he shall be expected to advance to license to preach within two years of acceptance of the pastorate. This shall not apply to any minister who has reached the age of 65 or older, or whose certificate has been issued on a provisional basis. Any exceptions shall be at the discretion of the Network credentials committee.
  - c. Exception for provisional issuance. A certificate of ministry may be issued on a provisional basis to a person who has not met all the credentialing requirements but who is deemed by the Network credentials committee to be essential to the continuity of a church or a ministry outreach for which a duly credentialed and qualified minister is unavailable. The reason for such a provisional issuance must be ministry driven, and the justification for its use is terminated when the minister ceases to be involved in the ministry for which it was initially granted unless he accepts another qualifying assignment. Other limitations are:
    - (1) The ministry certificate on a provisional basis will be issued for one year and shall not be renewed more than two times.
    - (2) A person who has been granted the certificate of ministry on a provisional basis must meet the qualifications for a ministry certificate within a three-year period.
3. License.
- a. Preaching ministry.
    - (1) Clear evidence of a divine call, character and preparation suitable for that calling, practical ministry experience, and an evident purpose to devote one's life in service to the proclamation of the gospel.

- (2) Conformity to such provisions is made for candidates by the General Council of the Assemblies of God in reading courses and other reading.
  - (3) Women who have met these requirements may be licensed to preach the Word.
  - b. A license credential may also be granted to those with an evident purpose to devote their time to a specialized ministry such as Christian education, youth, music or other ministries. The same spiritual qualifications shall apply as for any other credential.
4. Ordained Ministers. Qualifications for ordination are outlined in the New Testament Scriptures (1 Tim. 3:1-7; Titus 1:7-9).
- a. Applicants must be twenty-three (23) years of age or over.
  - b. Ministers may not be ordained to the ministry until they have shown evidence of a divine call and have held a ministry license and shall have been actively engaged in ministry and proclamation of the gospel for at least two full consecutive years immediately prior thereto.
  - c. They must be residents of the WNMMN and appear before its credentials committee.
  - d. If they have been licensed in a District other than the WNMMN, they must be residents of the WNMMN at least one year, and meet the requirements and secure the endorsement of the officary of the District with which they were previously licensed before receiving ordination. (See General Council Bylaws, Article VII, Section 3, Part e, Paragraph (4).)
  - e. Women who have met the requirements of the General Council may receive ordination.
  - f. In order to maintain active status, ordained ministers shall be engaged in viable ministry and proclamation of the gospel except for cases of disability, retirement, or other valid circumstances as determined by the general secretary.

#### Section C. Procedure for Ministerial Recognition

All credentials shall be issued under the auspices of the WNMMN. The Network credentials committee shall process applications, written examinations and interview the candidates seeking credentials and take appropriate action to provide credentials as qualified. All approved candidates for credentials are required to be present at the ordination service.

#### Section D. Inactive Ministers

1. Definition
  - a. All ministers who shall withdraw from active ministry or shall cease to engage in pastoral, evangelistic, or other full-time ministry for a period of one year or more shall be expected to notify the Network office, which shall inform the General Secretary.
2. Removal of Inactive Ministers from Ministerial List
  - a. If such inactivity shall continue for a second year, their names shall be eliminated from the ministerial list.
  - b. Exceptions. This shall not apply to those whose inactivity has been caused by the infirmity of old age or ill health; or those engaged in other aspects of full-time ministry, such as headquarters or Network workers, educators, ministers of music, ministers of youth, and ministers of Christian education.

3. Restoration of Inactive Ministers to Active Status. Should the minister at any time return to active ministry, his or her name may be restored to the active list upon application bearing the endorsement of the Network officary.

#### Section E. Responsibilities and Requirements

1. Adherence to Sound Doctrine. A person who has a declared open change in doctrinal views inconsistent with our Statement of Fundamental Truths can no longer be eligible for endorsement as an Assemblies of God minister. The General Council has also declared itself in disapproval of the following doctrinal deviations:
  - a. Unconditional security of the believer. (See General Council Bylaws Article IX, Part B, Section 1.)
  - b. Legalism. (See General Council Bylaws Article IX, Part B, Section 2.)
  - c. Eschatological errors. (See General Council Bylaws Article IX, Part B, Section 3.)
2. Representation of Our Distinctive Pentecostal Testimony. It is expected that Assemblies of God ministers shall correctly and properly represent our distinctive Pentecostal testimony in teaching, practice and personal conduct.
3. Cooperative Relationship to the General and District Councils. (See General Council Bylaws Article VI, Section 4 and General Council Constitution Article XI, Section 4.)
  - a. Amenability and cooperation. (See General Council Bylaws Article VII, Section 8, Part a.)
  - b. Affiliation with District of residence. (See General Council Bylaws Article VII, Section 8, Part b.)
  - c. Exception. (See General Council Bylaws Article VII, Section 8, subparagraph 1.)
  - d. Ministry in a non-Assemblies church. (See General Council Bylaws Article IX, Section 9.)
  - e. Attitude toward those removed from the Fellowship. (See General Council Bylaws Article IX, Section 10.)
4. Personal Conduct Separate From the World and Above Reproach. It is the responsibility of the minister to set the example and uphold the standard of scriptural conduct.
  - a. Non-conformity to the world. (See General Council Bylaws Article IX, Section 6.)
  - b. Ethical and responsible handling of personal finances. It is expected that ministers will live within their means and avoid the habit of running into debt which brings reproach upon the cause of Christ.
5. Competent, Efficient and Effective Ministry. It is expected that any person holding Assemblies of God ministerial credentials shall give evidence of fruitfulness in ministry.
6. Ministerial Ethics and Courtesy
  - a. In relation to pastors and assemblies. (See General Council Bylaws Article IX, Section 8.)
  - b. Ministers holding office in local assemblies. It is not deemed advisable for credential holders, other than the local pastors, to hold elected office in local assemblies.
  - c. In relation to privileged communications. (See General Council Bylaws Article VII, Section 13.)

7. Separation From Unscriptural Alliances. Membership in secret orders. (See General Council Bylaws Article IX, Section 4.)
8. Financial Responsibility
  - a. To the General Council Headquarters. All credential holders will be expected to comply with the General Council bylaws regarding the payment of tithes/dues to the General Council.
  - b. To the Ministries Network. The Ministries Network office shall be supported by the pledges/dues of tithes and offerings from the constituency. The minimum pledge/dues from each ordained, licensed and certified minister shall be 100% of his/her tithes, from all sources of ministerial income. All credential holders shall be required to give a minimum of \$350 per year to the Ministries Network office regardless of source. The above rule shall not apply to senior retired ministers, to a credentialed ministers' spouse holding credentials who has no separate income, or to foreign missionaries and nationally appointed and/or approved home missionaries who must comply with the General Council requirements and to ministers who are on disability income. Ministers failing to support the Ministries Network shall be called by the Network Presbytery to explain their lack of cooperation.
  - c. Accountability. Ministers who have not complied with the financial policy of the General Council and the WNMMN shall send a statement of explanation with their annual questionnaire.

#### Section F. Transfer of Credentials

1. Certificate of Transfer. When member ministers take up residence in a District other than the WNMMN, a certificate of transfer shall be issued within sixty (60) days by the WNMMN to that District, unless there are definite charges against the minister. The certificate of transfer shall be accepted by the District into which they move. When a minister moves from another District to the WNMMN, it is expected that the certificate from that District will be received within sixty (60) days.

In order to assist a minister who is transferred into another District, a transcript giving helpful information concerning the minister and spouse should accompany the certificate of transfer.

2. Exceptions. Exceptions may be made for the following:
  - a. Ministers moving to serve at General Council headquarters.
  - b. Those who are retired from active ministry.
  - c. Those who are in the armed forces currently on active duty.
  - d. Those who are serving on the faculties of our schools.
  - e. Students in schools outside of their home districts.

#### Section G. Termination of Credentials (Non-Disciplinary)

1. Categories
  - a. Resigned. Ministers who have elected to remove themselves from the Fellowship, and against whom there are no charges filed.
  - b. Lapsed. Those who elect or fail to renew their credentials by the specified time. (See General Council Bylaws Article VII, Section 11, part a, subparagraph (1).)

- c. Removal from ministerial list due to insufficient active ministry. These names are eliminated from the ministerial list. (See Bylaws Article VII, Section 6, part b, subparagraph (2).)
2. Responsibility of Credentials Committee
- a. Investigation. Before final action in terminating a minister's credentials shall have been taken by either the WNMMN or General Councils credentials committee, due investigation shall be made as to whether there is any cause for disciplinary action.
  - b. Approval of termination. If the minister shall be found to be in good standing, the termination shall be approved.
  - c. Cause for disciplinary action. In case the evidence warrants contrary action, the minister shall be advised of the findings and appropriate disciplinary action shall be taken.
  - d. Surrender of credentials. In all cases of termination of current credentials (certificate of ordination, license to preach, certificate of ministry), the minister shall be requested by the WNMMN to surrender these. Credentials thus surrendered shall be forwarded to the General Secretary's office. Refusal to surrender a credential certificate and current fellowship certificate shall be considered insubordination and may result in placing a charge against the minister.
  - e. Notification of action. It shall be the responsibility of the WNMMN officary to notify the office of the General Secretary of actions taken in the termination of ordained and licensed ministers and to fill out and send to that office a ministerial status report form. All information pertaining to the disciplinary action taken against a minister shall be preserved for future reference in the office of the credentials committee of the General Council of the Assemblies of God.
  - f. Publication of termination. The names of ordained ministers who are "lapsed" or who have "resigned" shall be so indicated and published in the minister's letter from the General Council headquarters.

#### Section H. Senior Retired Ministers

In respect and honor to those ministers who have given years of service to the Fellowship, senior status shall automatically be given to all credential holders who have reached the age of 65, whether they continue in full-time ministry or not.

- 1. Terminology
  - a. The term senior-active shall be used for credential holders who continue to serve more than half-time in the ministry.
  - b. The term senior semi-retired shall be used for credential holders who continue to be active, but for half-time or less.
  - c. The term senior-retired shall be used for those who have ceased to engage in any regular appointed ministry.
- 2. Application for Recognition as Being Senior-Active, Semi-retired or Retired. Senior semi-retired and senior-retired status shall be granted only to those ministers who file a request for such status with their Ministries Network office. The network secretary shall forward annually to the General Secretary a list of those ministers who have made these requests.
- 3. Guidelines
  - a. Reports. Senior-active and senior semi-retired ministers shall continue to file their annual reports

and pay the General Council portion of their tithes in the regular manner. Senior-retired ministers shall file an abbreviated report to maintain a correct address file for mail and insurance purposes.

- b. Source of income. These designations and guidelines shall apply regardless of whether the senior minister's income is from ministry, investments or other employment.
  - c. Designation in publications. No distinguishing mark shall accompany the list of senior-active in the official publications of the Assemblies of God, but may be so indicated in the working lists used for insurance and retirement purposes. Senior semi-retired and senior-retired ministers shall have this status appropriately indicated in the official list of Assemblies of God ministers.
  - d. Support of General Council headquarters. Senior-active and senior semi-retired ministers shall continue to designate ten dollars (\$10) monthly to the support of the General Council headquarters. Senior-retired ministers shall be free to distribute as they desire the portion of their tithes previously paid to the General Council.
4. Support of the Ministries Network.
- a. Senior-active and senior semi-retired shall support the Ministries Network office according to regular Ministries Network policy.
  - b. Senior-retired ministers shall be free to distribute their tithe as they desire.

#### Section I. Divorce and Remarriage

1. Local Church Standards. Since it will be largely the responsibility of the ministry to maintain scriptural standards, this section is included under Article VII, Section 2 Paragraph 1, part d.
- a. Membership for those having marriage entanglements previous to conversion. There are now among Christian people those who become entangled in their marriage relations in their former lives of sin who do not see how these matters can be adjusted. We recommend that these persons be received into the membership of local assemblies and that their marriage complications be left in the hands of the Lord (1 Cor. 7:17, 20, 24).
  - b. Common-law marriages. We recommend that in no case shall persons be accepted into membership who are known to be living in common-law state of matrimony.
  - c. Remarriage. Low standards on marriage and divorce are very hurtful to individuals, to the family, and to the cause of Christ. Therefore, we discourage divorce by all lawful means and teaching. We positively disapprove of Christians getting divorces for any cause except fornication and adultery (Matt. 19:9). Where these exceptional circumstances exist or when a Christian has been divorced by an unbeliever, we recommend that the question of remarriage be resolved by believers as they walk in the light of God's Word (1 Cor. 7:15, 27, 28).
  - d. Local church leadership. We recommend that divorced and remarried believers be restricted from serving in the office of deacon (Titus 1:5–9; 1 Tim. 3:12), except when the divorce occurred prior to conversion (2 Cor. 5:17) or for the scriptural causes of a former spouse's marital unfaithfulness (Matt. 19:9), or the abandonment of the believer by the unbeliever (1 Cor 7:10–15).
2. Standards for the Ministry.
- a. Ministerial credentials. It is not permitted for any married minister of the Assemblies of God to hold credentials if either minister or spouse has a former spouse living unless the divorce occurred prior to conversion (2 Cor. 5:17) or for the scriptural causes of a former spouse's

marital unfaithfulness (Matt. 19:9), or the abandonment of the believer by the unbeliever (1 Cor. 7:10–15).

- b. Performing marriage ceremonies. We disapprove of any Assemblies of God minister performing a marriage ceremony for anyone who has been divorced and whose former companion is still living, unless their case is included in the exceptional circumstances described in Article VIII, Section I, Part 1, Paragraphs a, c of these bylaws. Any minister of our Fellowship who performs a ceremony for such a marriage, unless they have been innocently deceived into doing so, may be dismissed from the Fellowship. Assemblies of God ministers shall not be permitted to perform marriages involving divorced persons of other Assemblies of God churches without consultation with the pastor of the other church. We realize that the remarrying of such persons included in the exceptive circumstances as stated could violate the conscience of a minister, and if this should be the case, the minister should not be expected to perform such ceremonies. Assemblies of God ministers are required to counsel applicants for marriage ceremonies with scriptural guidelines for Christian marriage prior to the performing of the ceremony. They may not perform ceremonies for persons who, in the minister's opinion, approach marriage without proper forethought, wisdom, and sobriety.

#### Section J. Abuses of Stewardship

See General Council Bylaws Article IX, Part B, Section 7.

#### ARTICLE IX. DISCIPLINE

Discipline is an exercise of scriptural authority for which the church is responsible. The aims are that God may be honored, that the purity and welfare of the ministry may be maintained and that those under discipline may be brought to repentance and restoration.

Discipline is to be administered for the restoration of the minister, while fully providing for the protection of the spiritual welfare of our local assemblies. It is to be redemptive in nature as well as corrective, and is to be exercised as under a dispensation of mercy.

Violation of Assemblies of God principles as stated in these constitution and bylaws may give cause for disciplinary action by the Credentials Committee. Among such causes for action shall be:

1. Any conduct unbecoming to a minister or indiscretions involving morals.
2. General inefficiency in the ministry.
3. A failure or inability to represent our Pentecostal testimony correctly.
4. A contentious or non-cooperative spirit.
5. An assumption of dictatorial authority over an assembly.
6. An arbitrary rejection of Network counsel.
7. A declared open change in doctrinal views.
8. A habit of running into debt which brings reproach upon the cause.
9. A marriage in violation of our stand on marriage and divorce. (See Bylaws Article VIII, Section I, Part 2, Paragraph b.)
10. Violations of ministerial courtesy. (See Bylaws Article VIII, Section E, Part 6.)

11. Ministry without prior approval in a non-Assemblies church. (See Bylaws Article VIII, Section E, Part 3, Paragraph d.)
12. An improper attitude toward those dismissed from the Fellowship. (See Bylaws Article VIII, Section E, Part 3, Paragraph e.)

For complete details on discipline, see General Council Bylaws Article X.

#### ARTICLE X. DEPARTMENTAL MINISTRIES

The Network Presbytery upon recommendation of the network superintendent shall create such Network ministries, departments and leadership positions as deemed necessary. Directives for these ministries shall be defined in the Network Ministries Operational Manual.

#### ARTICLE XI. INSTITUTIONS OF HIGHER LEARNING

##### Section A. North Central University

1. The WNMMN recognizes the need of practical training of prospective ministers and missionaries. It is in hearty sympathy with every effort to provide such training where the standards of teaching and discipline maintained in the school are satisfactory.
2. Inasmuch as the Ministries Network is sharing in the ownership and management of North Central Bible College in Minneapolis, Minnesota, we should promote its advancement in our Ministries Network.
3. It is strongly recommended that the churches in our Ministries Network write North Central University into their annual budget.
4. Board of Regents
  - a. The WNMMN shall provide representation to the North Central University Board of Regents. This representation shall include the Network superintendent or a representative of his/her choice.
  - b. Other representation of pastors, lay leaders, or at large members shall be selected by the Board Chair, President, and the Committee on Regents.

##### Section B. Institute for Ministry Development

The WNMMN endorses the Institute for Ministry Development (formerly known as Black Hills Indian Bible College) in its efforts to train leadership for ministry to Native Americans.

##### Section C. General Council Approved Schools

The WNMMN shall be in cooperative fellowship with schools endorsed by the General Council.

##### Section D. Other Institutions

The WNMMN shall be in sympathy with the establishing and maintaining of homes for children and the aged and for retired ministers and missionaries, and all humanitarian and educational work that shall be for the betterment of humanity.

#### ARTICLE XII. CAMPS

The Ministries Network shall offer camp ministries to our fellowship through the efforts of Spencer Lake Christian Center and Assembly Park Camp whose facilities are owned and operated by the WNMMN.

Directives for camp ministries are defined in the Network Department Policy Manual.

#### ARTICLE XIII. DISTRICT PROPERTIES AND TRUSTEES

1. The Network Presbytery shall be the legal custodians and trustees of all property, real and personal, now owned or hereafter acquired in its corporate name or which property may be or become a part of the assets of said Ministries Network.
2. All such property, real or personal, owned or hereafter acquired by the Ministries Network shall be taken, held, possessed, sold, transferred, assigned, mortgaged, or conveyed in the corporate name of the WNMD of the Assemblies of God.
