Thoughts for Sectional Caucus

- Election of sectional presbyter (where needed/see above chart).

The Superintendent will share:

- some of the initiatives and programs of this past year.
- concerning responsibilities and the future of the superintendent office for the upcoming election.
- his thoughts concerning our changing culture, leadership style and how our churches can adapt to the changes.

On this farewell tour for our superintendent, he would like to take the time to express his appreciation and dedication to all our church boards and pastors of the Wisconsin/Northern Michigan Ministries Network.
