

What is the Acts 2 Journey Cohort?

The Acts 2 Journey Cohort is a transformative process led by an experiences team to help you fulfill the vision you have to strengthen your church spiritually, numerically and relationally. Join with a team of leaders from your church for a series of four weekend retreats over the course of a year to pray, dream, and strategize about the future of your church.

Retreat 1

“Why do we exist?” and “Where are we going?”

The team focuses on congregational realities; embraces its mission; and develops the unique, motivating, and guiding vision statement

Retreat 2

“How should we behave?”

The team discovers the church’s individual DNA and the values that will determine how the church utilizes its resources.

Retreat 3

“How do we achieve our goals?”

The team constructs a strategic plan based of the Acts 2 template: (Connect, Grow, Serve, Go and Worship)
