

# What is the Acts 2 Journey Cohort?

The Acts 2 Journey Cohort is a transformative process led by an experiences team to help you fulfill the vision you have to strengthen your church spiritually, numerically and relationally. Join with a team of leaders from your church for a series of four weekend retreats over the course of a year to pray, dream, and strategize about the future of your church.

## Retreat 1

*The team focuses on congregational realities; embraces its mission; and develops the unique, motivating, and guiding vision statement*

## Retreat 2

“How should we behave?”

*The team discovers the church’s individual DNA and the values that will determine how the church utilizes its resources.*

## Retreat 3
